Relationship to Participant: \_\_\_\_\_

Responsible Party Contact Info: \_\_\_\_\_  
Cell Phone Email

It is likely that we will start with services on Tuesdays and Thursdays. However, we will consider other weekdays based on the preferences and availability of participants. **Please indicate which days of the week you prefer:**

**Circle "1"** for the **two days** of the week you **MOST** prefer

**Circle "2"** for all other days you would be able to attend

**Circle "N/A"** for "not available" days that are not an option for you

Monday	1	2	N/A
Tuesday	1	2	N/A
Wednesday	1	2	N/A
Thursday	1	2	N/A
Friday	1	2	N/A

**Each day of the week should have a circled choice, and no more than two days should have a "1" circled.**

**Please check each box below to indicate that you have reviewed and have accepted each condition. My signature certifies that I have read and understand the guidelines:**

- Participant can wear a mask (or face shield, with a medical exemption) for the duration of the time at Elderhaus.
- Participant is able to be directed to maintain social distancing.
- A designated responsible party is available without delay if called to come pick up a participant who is unable or unwilling to keep a face covering on or to maintain social distancing.
- Participant is free of Covid-19 infection will provide proof of test results. Covid tests must be taken within two weeks of entering Elderhaus facilities.
- Participant has received a Fall 2020 flu shot and will provide documentation before entering Elderhaus facilities.
- Participant may have his/her temperature taken upon entering each day.

- Participant may not be allowed to attend if he/she has been exposed to other persons with symptoms in the family or social circle.
- Participant will be dropped off between 8 and 8:30 a.m., and picked up between 1:30 and 2 p.m.

**Responsible Party and Guest Agreement:**

- Participant Drivers must maintain social distancing outside the front door (as well as inside the building), according to county health requirements.
- Drivers should **call 970.221.0406 from the vehicle each time they arrive for instructions on how to proceed before entering.**
- So as to minimize risk, guests will be restricted; all who enter Elderhaus facilities must wear masks and maintain social distance.
- Elderhaus staff will screen everyone who wishes to enter our facility, and may also take the temperature of all occupants of the vehicles in which they arrive.
- Elderhaus staff may check the temperature of anyone in the building at any time, at its sole discretion.

**Liability Waiver:**

Although Elderhaus will take reasonable precautions, the current pandemic makes it impossible to guarantee that any staff member, participant, or guest will not contract an illness. By signing this waiver below, you agree to the following waiver of liability:

*By entering Elderhaus facilities or participating in any Elderhaus activities, you are acknowledging that an inherent risk of exposure to COVID-19 exists in any public place where people are present. You, any persons for whom you are responsible, and any other guests voluntarily assume all risks related to exposure to COVID-19 and agree not to hold Elderhaus Adult Day Program, Inc. (including the Mindset program), or any of their directors, employees, volunteers, or participants liable for any illness or injury.*

## ADDITIONAL ELDERHAUS GUIDANCE

Welcome back to Elderhaus! Here is some additional general information for participants and their caregivers:

- In order to minimize possible exposure to the coronavirus, direct care staff members will consistently work with the same pod.
- When any Elderhaus staff engage with participants, they will wear a medical grade mask.
- Each pod will have its meals apart from the other, and will maintain social distance from other pods.
- Each pod will have a separate bathroom for exclusive use by that pod. Bathrooms will be cleaned hourly when participants are present.
- The meeting area used by each pod will be cleaned daily, including disinfection with an electrostatic sprayer. HEPA air purifiers will be used in each pod's meeting space.
- Elderhaus may close for up to 13 days without advance notice, if Covid-19 symptoms or other conditions warrant.
- If demand for attending exceeds current capacity, preference will be given to participants who do not need Elderhaus to provide transportation.
- Breakfast and lunch will be provided, but menu options will be limited.
- Activities will be offered to minimize contact with the public. Most activities will be indoors or onsite. When transportation can be accommodated, occasional field trips/offsite activities may be scheduled to parks or other uncrowded locations where Elderhaus/Mindset participants and pods can remain socially distanced from each other and the public.
- Occupational therapy services are discontinued. We will endeavor to provide OT evaluations of some participants as needed.
- All staff will be eligible for paid time off (PTO) when calling out sick, so as to minimize the risk of a sick employee endangering the health of others.
- Health screenings for participants may include:
  - (a) State-mandated questionnaire (where cognitive ability permits)
  - (b) Temperature check (Colorado regulations define a fever as 100.4 degrees or above, but Elderhaus may choose not to allow persons with a temperature above 99.9 to enter/remain)
  - (c) Mandatory sanitizing of hands
  - (d) Any other precautions or requirements that the state or county may implement
