

Dear Friend,

We are pleased to announce the *Elderhaus* Adult Day Program fundraising event on Friday, October 20, 2023. Please consider this request to be represented at the **7th Annual Rhinestone Cowboy Gala**.

This is our major charity fundraiser held each year, and we need your help for our nonprofit mission. As a sponsor you will be featured in *Elderhaus* promotional materials and visible to a wide range of organizations and individuals throughout Northern Colorado.

Your sponsorship will make a vital difference in helping us compassionately care for adults with physical and cognitive disabilities, including dementia (such as Alzheimer's disease), traumatic brain injury, post-stroke needs, MS, Parkinson's disease, Down syndrome, autism, and other conditions.

Elderhaus services often help enable persons with special needs to continue living at home for years longer while benefiting from positive social engagement in an active community-based program. We offer special programs for Veterans, as well as provide much-needed respite for caregivers and loved ones, including support groups open to the community at no charge.

Elderhaus is the **only** nonprofit adult day program in Larimer and Weld Counties that provides this type of care. As a charitable organization, our mission of service is not possible without the generosity of grants, gifts and contributions from organizations such as yours.

Please review the sponsorship options and select a gift that will have the greatest impact for your organization—as well as for the participants and caregivers we serve. In order to ensure the best possible benefit for your generous investment, we appreciate your gift as soon as you are able to assist.

In addition to this sponsor opportunity for the 2023 Rhinestone Cowboy Gala, we hope you will attend our inspiring benefit. The fun at the Western-themed Ellis Ranch Event Center near Loveland includes a banquet, cash bar, live music, dancing, and the chance to bid on unique and beautiful auction items.

Thank you in advance for helping *Elderhaus* touch lives in our region by showing your support as a sponsor of this wonderful event.

Sincerely,

Dr. Tim McLemore, Executive Director Elderhaus Adult Day Program Inc.
