

NEWS YOU CAN USE

PROVIDING COMPASSIONATE, CAPABLE DAYTIME CARE AND COMMUNITY ENGAGEMENT FOR ADULTS LIVING WITH DEMENTIA OR OTHER DISABILITIES.

Word from the Director:

Summer is in full swing and we are taking full advantage! Fishing, swimming, park days, BBQs and gardening are on the agenda. Our first resource fair was a big success. You can look for our next one in January. If you are looking for resources in the meantime, please don't hesitate to ask me - I have great referrals and connections in the area.

WE NEED YOUR COOPERATION!

As Elderhaus has entered the post-COVID era of its history, we are taking a hard look at our policies and moving towards alignment with who we are and who we serve. In this process, it has come to our attention that we have some participants that do not have a regular & routine schedule. As our program attendance has grown, we can no longer allow participants to drop-in to the program at their or their caregivers convenience. It is critical to our staffing that participants commit to a schedule. We will continue to try to accommodate schedule changes or requests to add a day or so due to extenuating circumstances but we will begin requiring advance warning to do so. Additionally, participants that do not attend for a 30-day period, without advance notice, will be discharged.

Transportation is also a critical piece to our efficient operations. If you have set up transportation through Elderhaus, the expectation is that you will utilize the service as requested. Our transportation is a sought-after service and consequently often has a waiting list. If we see that there is a pattern of frequent call-offs, you will receive a notice of potential discharge from transportation if no improvement is seen.

We ask that you notify us by July 31st regarding your schedule so that we can enter August with a clear understanding of our census and can thus staff accordingly. Please either e-mail myself (executivedirector@elderhaus.org) or Angel Jones (sitesupervisor@elderhaus.org) via email with the information. Don't hesitate to call if you have any questions.

WALK TO END ALZHEIMER'S

Elderhaus Walk to Find a Cure is our team name for this year's Alzheimer's Association Walk to End Alzheimer's®! This walk is the largest event to raise funds and awareness for the care, support and research efforts of the Alzheimer's Association®. It's held annually in more than 600 communities nationwide, and we are excited to participate this year.

Currently, more than 6 million Americans are living with Alzheimer's and over 11 million family and friends provide their unpaid care. This is one of the reasons Elderhaus exists! We need your help to end this devastating disease. You can make an impact with a donation or even joining our team. Your kindness and generosity truly make a difference in the fight against Alzheimer's and all other dementia. Thank you for your support!

8th Annual
**Rhinestone Cowboy
Gala**

Sunday
October 20, 2024

4 - 8 PM
Ellis Ranch Event Center

Dear Friend of Elderhaus,

We are pleased to announce the Elderhaus Adult Day Program fundraising event on Sunday, October 20, 2024. Please consider this request to contribute to our nonprofit mission for the 8th Annual Rhinestone Cowboy Gala. This is our major charity fundraiser held each year, and we need the help of the community and donors to continue caring for individuals through day programs and activities.

We ask that you consider being a sponsor of our event or join generous supporters throughout Northern Colorado with a tax-deductible donation of goods or services that will showcase area businesses, professional services, and artists. Your gift will make a vital difference in helping us compassionately care for adults with physical and cognitive disabilities, including dementia (such as Alzheimer's disease), traumatic brain injury, post-stroke needs, MS, Parkinson's disease, Down syndrome, autism, and other conditions.

Elderhaus services often help enable persons with special needs to continue living at home for years longer while benefiting from positive social engagement in an active community-based program. We offer special programs for Veterans, as well as provide much-needed respite for caregivers and loved ones, including support groups open to the community at no charge.

Elderhaus is the only nonprofit adult day program in Larimer and Weld Counties that provides this type of care for those living with dementia. As a charitable organization, our mission of service is not possible without the generosity of grants, gifts and contributions from people like you!

If you would like to support Elderhaus with a cash donation of at least \$1,000, you will join our premier Gala Sponsors with acknowledgment in promotional materials. Thank you in advance for helping Elderhaus touch lives throughout Northern Colorado by showing your support at any level. We hope you will attend and support our inspiring benefit. The fun at the Western-themed Ellis Ranch Event Center near Loveland includes a banquet, cash bar, live music, dancing, and the chance to bid on unique and beautiful auction items.
